

REALITY CHECK – SAT AND ACT RANGES, 25TH-75TH PERCENTILE FOR ENROLLED STUDENTS AT VARIOUS SELECTED UNIVERSITIES AND COLLEGES NATIONWIDE

Data based on college Class of 2025 (entered college fall 2021) and include only those students who ENROLLED—not those who APPLIED or those who were ACCEPTED. Data for the Class of 2026 (those who enter fall 2022) is not released until the spring so that schools can report both fall and spring cohort results

Once again—*these are figures for students who just completed their first year in college and will enter sophomore year this fall.* Can you get more recent scores on individual college websites? You may be able to do so—but watch what you are getting... Are these results from students who APPLIED? Students who were ACCEPTED? Students who ENROLLED? It is not always clear what you are reading—be careful... The numbers here are for students who are ENROLLED at these colleges

It is critical to note that these figures are the first generated by a cohort in an admissions landscape that was overwhelmingly test-optional. Consequently, if you compare these numbers to those from previous classes, you will observe a notable increase. This is not surprising—the only students who submitted test results under test-optional policies were those with lofty scores. Note also that a number of schools that adopted test-free or test-blind policies did not report any results

SOURCES: The College Board; National Center for Education Statistics (College Navigator program); the Common Data set; various school websites; and the occasional call to admissions to inquire specifically about test results

[modified July 17, 2022]

SCHOOL and STATE	SAT	ACT

Yeshiva University (NY)	1160-1410	24-31

Please recall that these figures are standardized test ranges—they are NOT “cut-off” scores or lines of demarcation. Please also recall that standardized testing is never the most important aspect of college admissions. These figures do not imply or infer in any fashion whether a student will be accepted or denied at the schools to which s/he applies. And remember—if you have specific or more detailed questions or concerns, call the admissions office(s) of the college(s) to which you apply! AND—most importantly—these are NOT measures of a student’s self-worth
