CAVEATS/EXPLANATIONS/DISCLAIMERS

All data is taken from each institution's 2021-2022 Common Data Set unless otherwise noted.

Empty fields in this chart are the result of missing data points in the institutions's Common Data Set, or because the institution did not respond to our request for the data. Institutions that have not responded to our requests for several consecutive years have been removed from the chart.

The information in each institution's Common Data Set is compiled by humans, as is this chart. Errors will be made, and we apologize for any we may be responsible for. If any are found that misrepresent an institution's Common Data set, please let us know by contacting information.bigj@gmail.com. If verifiable numbers are required, we suggest you contact the institution directly.
