KEY								
1 - Published annual costs used in this chart are for on-campus undergraduates as published in the most recent IPEDS database.								
2 - Costs cited for Brigham Young University are for LDS students.								
3 - Percentages larger than 100% are due to inputted data. For example, Antioch College reports 9 students with no demonstrated need, but awards merit aid to 10 students with no demonstrated need.								
CDS - Common Data Set								
FM - Federal Methodology								
IM - Institutional Methodology								
CAVEATS, EXPLANATIONS, AND DISCLAIMERS								
All data is taken from the institution's 2020-2021 Common Data Set except where otherwise noted.								
We attempted to contact each institution whose 2020-2021 Common Data Set was not publicly available. Some do not use the Common Data Set or similar database, and a few refused to share their data. These are noted in the Source column as "data unavailable" or "data request denied." Others who have not responded to our requests are left blank in this chart.								
Institutions that have not responded to our data request for several consecutive years have been removed from the chart.								
The information in each institution's Common Data Set is compiled by humans, as is this chart. Errors will be made, and we apologize for any we may be responsible for. If any are found, please let us know by contacting information.bigj@gmail.com . If verifiable numbers are required, we suggest that you contact the institutions directly.
